The town of Fairhaven joins with the town of Acushnet to offer an advisory council for parents of students with disabilities. Come and meet the Acushnet/Fairhaven Special Education Parent Advisory Council (AFSEPAC) and learn more about your child's right to the services he/she may need. The ultimate goal is to enhance special education service delivery for students throughout both school districts. The AFSEPAC provides a format to facilitate communication and cooperation among parents, guardians, school officials and staff, as well as a way to provide feedback to the school districts regarding services, needs, and concerns.
