

JOB DESCRIPTION

ADMINISTRATIVE REGULATION GCA-R GRADES PreK-5 SCHOOL COUNSELOR

Job Description

SCHOOL ADJUSTMENT COUNSELOR
Elementary (preK – 5)

PRIMARY FUNCTION

Counselors work together in partnership with the families and community at large to promote the ongoing development of each student's academic, personal/social, and career potential. The goal of counseling is to take a proactive and preventative approach when possible, but also to work with students to resolve current issues that impact personal growth and achievement. Through a comprehensive preK-12 counseling program that is developmentally appropriate, counselors assist all students in realizing their abilities, interest, and goals as they transition through the educational process to become successful members of society and life-long learners.

RESPONSIBILITIES

1. Plan, Organize and Deliver or Oversee the School Counseling Curriculum:

- Develop school counseling curriculum using the ASCA National Standards, Massachusetts Career Development Education Benchmarks, and MA Frameworks;
- Deliver the school counseling curriculum through grade-level seminars using a variety of modalities;
- Deliver other counseling activities and programs to support the school community.

2. Provide Individual Student Planning activities:

- Guide and counsel students in their development of a plan that encompasses academic, college/career, and personal/social life goals;
- Provide strategies for academic and personal/social success; identify and assist students experiencing academic and personal/social difficulties;
- Assist students in making a smooth transition to and from elementary school;
- Provide orientation activities for incoming students and their parents;
- Provide resources and information to assist students in career exploration, organization and study skills, and/or summer enrichment programs.

3. Provide Responsive Services by facilitating small groups and counseling individuals with specific needs:

- Counsel students individually or in small groups;
- Provide individual assistance to students regarding the academic, college/career and personal/social needs;
- Conduct structured, goal-oriented counseling sessions to meet the identified short-term need of individuals and groups of students. Session topics may include self-concept, academic issues, attendance and behavior patterns, conflict resolution, family issues, child abuse, substance abuse prevention, and suicide prevention and intervention.
- Deliver prevention, intervention, and crisis management services for students.

4. Consult and collaborate with teachers, staff, and parents/guardians in understanding and meeting the developmental needs of students:

- Participate in consultations with administrators, teachers, parents and others to enhance their work with students;
- Conduct and facilitate conferences with teachers, students and parents;
- Conduct or provide opportunities for parent education programs;
- Assist families in addressing school-related problems and issues.

5. Refer students with critical needs, in consultation with their parents/guardians, to appropriate community resources:

- Consult and coordinate with in-district professionals such as school psychologists, social workers, nurses and administrators; and community-based resources such as outside counselors, service agencies, and physicians.
