

POLICY 9131

SUB-COMMITTEE ATTENDANCE POLICY

Any member of the Fairhaven School Committee has the constitutional right to attend any Fairhaven School Committee Sub-Committee meetings. The Fairhaven School Committee member should announce his/her attendance as a public citizen. That attendance does not constitute a quorum since that non-subcommittee member will have no voting rights. The Fairhaven School Committee member may be recognized by the chairman to be heard on any issues before the Sub-Committee.
