

## **STUDENT RESIDENCE**

### **1:0 POLICY STATEMENT**

- 1:1 Massachusetts General Laws require that all students attending the public schools must attend schools in the district where they actually reside. The Fairhaven Public School Committee adopts the following policy and guidelines (“Requirements for Admission to the Fairhaven Public Schools”) regarding the residency and admissions of students to the Fairhaven Public Schools. The staff is directed to ensure that all forms and regulations are fully executed and conform to this policy.
- 1:2 Since Fairhaven does not participate in School Choice, only students who actually reside in the Town of Fairhaven may attend the Fairhaven Public Schools. “Residence” is a place where a person actually lives. Unless expressly permitted under the approved guidelines, temporary residence in the Town of Fairhaven solely for the purpose of attending the Fairhaven Public Schools is not considered “residence” for admissions to the Fairhaven Public Schools. The Fairhaven School Committee recognizes that it may be in the best interests of students who change their residence from Fairhaven after the third marking period, to continue attending school in Fairhaven for the remainder of the year when such relocation may cause emotional, physical, and/or academic problems in accordance with Administrative Regulation JC-E.
- 1:3 In determining residency, the Fairhaven School Committee retains the right to require the production of a variety of records and documentation and to investigate where a student actually resides. The Fairhaven School Committee retains the right to use the assistance of the School Resource Officer’s and/or may obtain the services of police or investigative agency personnel to conduct the investigations into student residence. The Resource Officer, police and/or residency agency investigator (s) will report his/her findings to the Superintendent of Schools, who shall make the final determination regarding residency. Students found to be in violation of the residency policy may be dismissed immediately from the Fairhaven Public Schools and the parent(s), guardian(s) or responsible adult may be jointly and severally liable to the Fairhaven Public Schools for the student’s tuition for the full academic year(s). The Fairhaven Public School District may also impose other penalties on the family such as legal fees incurred by legal action and the withholding of certain scholarships and prizes. A parent, legal guardian, or student who has reached the age of majority (18), who is aggrieved by a determination of residency, may appeal the determination to the Superintendent of Schools, whose decision shall be final.
