

ENTRANCE AGE

In an attempt to permit children to enter kindergarten or first grade at the time most appropriate for them individually, the School Committee establishes the following policy on entrance age:

Children who will be five (5) years of age on or before August 31st of the school year during which they wish to enroll will be eligible to enter kindergarten.

Children who will be six (6) years of age on or before August 31st of the school year during which they wish to enroll will be eligible to enter first grade.

Pupils transferring from other communities will be considered for placement in Fairhaven Schools on the same basis as children from Fairhaven, regardless of any previous placement.
